

Dear Mr. Adelman and the Music for Humanity
Organization,

I want to thank you so much for
the scholarship that you presented me with at
the Bill Perry celebration. I am very
grateful to have received such a very generous
award. I will be studying Music Education
at the College of St. Rose, and this award
helped greatly with my tuition. Thank you
so much for the great honor and for enabling
me to continue my study and love of music.

Sincerely,

Kelly VanHemack

thank you
